To obtain PerGioco Rating, the Rating of Abstract-Game Players, it is necessary to register on the page www.pergiooco.net/live/registration.html and participate in the "PerGioco Masters" tournaments.

For each game, regardless of the number of tournaments in which one has participated, only one Rating is obtained.

The sum of the Ratings of the individual games feeds the Overall Standings, which are taken into consideration for the annual ranking of PerGioco Masters tournaments.
